2. Christian Missions to Northeast India

Serampore Mission

The first missionary efforts to North Eastern Region began with the Serampore mission under the English Baptist Missionary Society. It was William Carey and his Associates who had first contact with an Assamese Pandit Atmaram Sarma of Kaliabar in Nowgong, Assam, in 1811. With his help Carey translated the New Testament in Assamese and released the same in 1819. In 1829 the Serampore mission came to Guwahati and opened a school but it was closed down due to unavoidable reason.

In the meantime, Carey also had a contact with the Khasis in 1813. He sent his helper Krishna Chandra Pal to Pandura (now in Bangladesh), and through his help two Khasis were converted. They were U Dwan and U Anna. The New Testament in Khasi was translated in 1824. The Serampore mission worked for just a short time and closed down.

Again they penetrated Manipur in 1820s. The New Testament in Manipur was translated and printed in 1824; however there is no record of convert.

American Baptist Mission

It was with the help of the British administrators the American Baptist mission came to Sadiya in Upper Assam in 1836. The first missionaries to Sadiya were Nathan Brown and his wife and O.T.Cutter. Their original plan was to reach China, however due to adverse circumstances they had to change their plan.

The second attempt was to reach the Nocte Nagas (now in Arunachal) in 1840; but again failed. From Jaipur they shifted to Sibsagar in 1841, and it was from here they had first contact with the Ao Nagas. It was in 1870s that the first Ao Nagas from Molungkimong (Molung) village met Dr.E.W.Clark and nine of them were converted and got baptized on November 10, 1872 at Sibsagar. The following day they returned to their village and built a chapel and started worship services under Evangelist Godhula. The second batch of fifteen (15) converts was baptized by Clark at Molung on December 22, 1872. And it was on this day the first Naga Church foundation was laid down in Naga soil; later on the American Baptist mission occupied all Naga tribes.

Presbyterian Mission

The Presbyterian mission to the Khasis began in 1841. The first missionaries were Rev and Mrs. Thomas Jones who arrived at Cherrapunji on June 2, 1841. The first converts under their ministry were U Amor and U Rajan who were baptized on March 8, 1846. This is how the Presbyterian mission began which later on spread over to Meghalaya and Mizoram.

Today Northeastern region is predominantly Christians due to very strong impact of missionary waves planting the indigenous churches and local leadership from the very beginning.

3. Introducing United College of Theology & Missions

3.1 History and Vision

On October 15, 1977 the Nagaland Baptist Church Council (NBCC), made a covenant to send ten thousand missionaries to the world. To achieve this vision, United College of Theology and Missions (UCTM) formerly known as Outreach Leadership Training College (OLTC) and Missiological Research Center (MRC) was established to equip men and

women who would faithfully carry out the gospel of Jesus Christ across the great nation of India and its surrounding nations, namely Bhutan, Nepal, China, Bangladesh, and Myanmar and even beyond. Thus UCTM commenced with a four month basic missionary orientation course in 1992 with its motto, 'Discipling Disciplers.' On the demand of the churches, the College introduced Bachelor of Theology (B.Th) in 1996, Master of Arts in Missiology (MA) in 2003 and Master of Divinity (M.Div) in 2007 and Master of Theology in 2021.

Today, UCTM serves as the premier missiological training institute in the whole of North East India. As of now, UCTM has recorded more 700 alumni who serve as pastors, missionaries, church planters, and teachers across Northeast and North India crossing into Nepal, Bhutan, Bangladesh and Myanmar and China.

3.2. Location

Dimapur City is regarded as one of the fastest growing towns in India. It is situated in the foothill area of the southwestern part of Nagaland bordering Karbialong District of Assam.

It is 75 km away from the state capital Kohima. Dimapur has the only Airport in Nagaland and is also well connected with the neighboring states of Manipur, Assam, Arunachal Pradesh, Meghalaya, Tripura and Mizoram by National Highway No.39. It is, therefore, regarded as the heart of northeast India because of its strategic location and easy access to rest of India and beyond.

The campus is situated by the side of river Jordan (named by UCTM; generally known as Chathe river or Pagla nadi) at the 5th mile of Dimapur to Kohima road, opposite Nagaland Highway Bamboo Resource Center on 39 National Highway. Thus it is located at an ideal place free from pollution and noisy world thereby offering a healthy environment and perfect settlement for meditation and study purposes.

3.3. Doctrinal Statement

God

WE BELIEVE that there is only one true God, Creator and Sustainer of all things, infinite in love, perfect in judgments and unchanging in mercy. He exists eternally in three persons: The Father, The Son and The Holy Spirit, having one substance and equal power and glory.

Jesus Christ

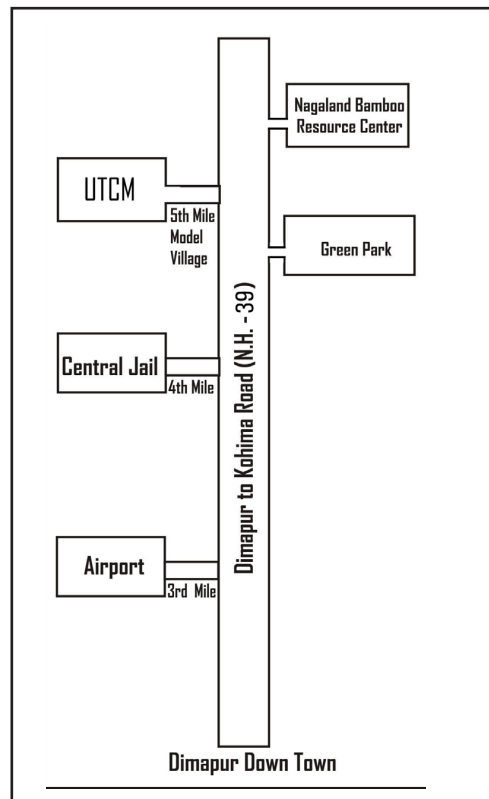

WE BELIEVE in the deity of our Lord Jesus Christ, in His virgin birth, His sinless life, His miracles, His vicarious and atoning death through His shed blood, His bodily resurrection, His ascension to the right hand of the Father, where He sits as our perpetual mediator and intercessor, His personal and visible return in great glory as Lord and Judge to consummate the eternal plan of God.

Holy Spirit

WE BELIEVE that the Holy Spirit is present and active in the world by whose empowering; the individuals are brought to repentance from their sins, and experience His indwelling and assurance of salvation. By that indwelling the believer receives light and power to live a holy life, to witness and work for the Lord Jesus Christ in the fellowship of the believers.

Scripture

WE BELIEVE in the divine inspiration, truthfulness and authority of both the Old and the New Testaments, the only written and authoritative Word of God. They are the only infallible rule of faith and practice for all ages.

Humankind

WE BELIEVE that human beings were created in the image of God. This image was marred by sin through their disobedience, and fellowship with God was broken. This fall subjected humans to God's wrath, and brought upon them the eternal death. The human race can be redeemed from this fallen state only by the grace of God, through faith in the finished redemptive work of the Lord Jesus Christ, and by the agency of the Holy Spirit.

Church

WE BELIEVE that the Church is the people of God who have been redeemed and knit together through faith in Jesus Christ and by the Holy Spirit. The Church is Christ's body; it is visible in the world wherever believers, in obedience of faith, hear the Word, partake the sacraments, and live as disciples.

Christ's Mandate

WE BELIEVE that the Church is given mandate to live in daily witness to the grace which comes to us in Jesus Christ and is under obligation to preach the whole gospel to every person according to the command of Christ, and to declare God's insistence upon righteousness and justice in all relationships and structures of human society.

Future Hope

WE BELIEVE in the resurrection of both the saved and lost; they that are saved unto the resurrection of eternal life and they that are unsaved unto the resurrection of eternal condemnation.

3.4. Philosophy of Ministry

Our Vision:

We envision and strive to serve as one of the most leading practical research and training institutes in India producing efficient and effective missionaries who would faithfully proclaim the whole gospel of Jesus Christ to people everywhere particularly to North India, Bhutan Bangladesh, Myanmar, Nepal and China in the power of the Holy Spirit.

Our Mission:

Responding to the leading of God's Spirit, we train and equip men and women who are called of God to become efficient and effective missionaries, mission leaders and church workers, and to become dynamic disciples of other missionaries and church leaders.
