UNITED COLLEGE OF THEOLOGY & MISSIONS

HISTORY:

On October 15, 1977, the Nagaland Baptist Church Council (NBCC) committed to sending ten thousand missionaries around the world. To fulfill this ambitious vision, the United College of Theology and Missions (UCTM), was established as a powerhouse for training men and women who are dedicated to spreading the gospel of Jesus Christ throughout India and its neighboring nations including Bhutan, Nepal, China, Bangladesh, Myanmar, and beyond.

In 1992, UCTM launched its mission with an intensive four-month basic missionary orientation course, firmly establishing its motto, “*Discipling Disciples*.” The College has since expanded its offerings, introducing key degree programs: the Bachelor of Theology in 1996, the Master of Arts in Missiology in 2003, the Master of Divinity in 2007, and the Master of Theology in Mission in 2021.

Today, UCTM is recognized as the premier cross-cultural mission training institute in all of Northeast India with over 800 alumni actively serving as pastors, missionaries, church planters, and teachers. UCTM is making a significant impact across Northeast and North India, extending its impact and influence into Nepal, Bhutan, Bangladesh, Myanmar, and China.

LOCATION

The UCTM campus is strategically positioned along the Chathe River at the 5th Mile, Model Village, directly opposite the Bamboo Resource Center on the 29 National Highway. This prime location offers a pristine, pollution-free environment and a serene atmosphere, making it an ideal setting for meditation and focused study.

OUR VISION:

We are committed to equipping dedicated missionaries, pastors, and theological educators who will faithfully proclaim the Gospel of Jesus Christ to all people with special focus on unreached nations.

OUR MISSION:

We are committed to training men and women who will faithfully disciple and equip leaders through imparting academic quality and development for effective spiritual leadership.

OUR CORE VALUES:

To achieve our mission, we aim at the following areas:

- i. **Area of focus:**
 - a. Developing mission leadership: Preparing and producing credible leaders for church ministry and mission leadership.
 - b. Specializing task force: Equipping with human language, culture, climate, food habit as well as exposing to human religions to introduce eternal message to the lost.
 - c. Recruiting and Deploying Base: Providing opportunity of cross-cultural field exposure to students.
 - d. Self-support raising: Motivating and training them to explore and raise their own support to serve the Lord.
- ii. **Area of Commitment:**
 - a. Spiritual formation: Giving priority to the spiritual nurture and development.
 - b. Character building: Biblical principle of loving, learning, caring, sharing, growing, living and doing together.
 - c. Academic excellence: Serving as a premier center of advanced theological and mission education with qualified and experienced teachers nationally and internationally.
 - d. Mission vision: Identifying people groups for church planting and disciple-making.
